

CiCe Network National Co-ordinators Country Reports	2011-2012 FINLAND
---	-----------------------------

**CiCe- Report by National Coordinator Riitta Korhonen
 From the period October 2011**

A new national coordinator started her duty in October 2011. The activities went on in the beginning according to the plans made by the former national coordinator.

Member universities of CiCe in Finland

There are three member universities. 1) University of Helsinki 2) University of Jyväskylä and 3) University of Turku. As institutional coordinators are professor Arto Kalliomäki in Helsinki, Dr. Leena Lestinen in Jyväskylä and Dr. Riitta Korhonen in Turku. The university staff is privileged to take part in CiCe activities.

Activities

Representatives of universities have taken part in CiCe conference and they have had paper presentations there.

In national level there is every year Education Science Conference and there has been one session with the theme of citizenship. The CiCe member has been as a chair in this session.

All CiCe-publications are in the libraries of CiCe member universities within use of students, researchers and staff.

Planned activities for the academic year 2012-2013

The meeting of institutional coordinators in October 2012

The session in National Science Conference in November 2012

Cooperation with the Finnish Association (Citizenship education) in their arranged seminar in February 2013

The CiCe conference in Lisbon in June 2013

To take part in the research "State of the art"-survey, which was mentioned in the meeting in York. Planning the topic with the other members

To act according to the theme

The purpose is to encourage university staff and other teachers to join to offered activities, take part in conferences and seminars. Also the purpose is to give information to teacher students and students of other subjects and from other faculties. The third purpose is to inform the other universities to take part in CiCe activities.
